In summer 2009 the festival **EUROPA CANTAT XVII** gathers some 3000 choral conductors and singers from all over Europe and beyond, during 10 days in the city and region of Utrecht. They will participate in workshops, concerts, open stages, and much more. Every afternoon and evening the participants will gather in the exhibition and convention centre Royal Dutch Jaarbeurs, to meet each other, send an e-mail to their homes at the Internet Square, have dinner and attend the Open Singing and concerts. The Music Exhibition will be organised on this daily meeting point. Royal Dutch Jaarbeurs is less than a ten-minute walk away from the city centre of Utrecht.
